

## Declaration of accessibility

### Introduction of the declaration

The Maria Curie-Skłodowska University of Lublin undertakes to ensure the accessibility of its website in accordance with the provisions of the Law of April 4, 2019 on digital accessibility of websites and mobile applications of public entities.

The accessibility declaration applies to the website <https://ion.umcs.pl>.

Date of publication of the website: 2010-01-15.

Date of last significant update: 2025-02-24.

### Status of digital accessibility

The website is partially compliant with the Law of April 4, 2019 on digital accessibility of public entities' websites and mobile applications due to incompatibilities or exclusions listed below.

- The website may contain elements, mainly archival, referring to links posted on physically decommissioned servers.
- The site may contain graphic elements that do not have matching alternative text.

### Date the declaration was made

Date of preparation of the declaration: 2025-02-24.

Date of last revision of the declaration: 2025-01-20.

The declaration was prepared on the basis of a self-assessment carried out by an employee of the Institute of Physics of Maria Curie-Skłodowska University in Lublin.

### Keyboard shortcuts

You can use the standard keyboard shortcuts of the browser you are using on the website.

### Feedback and contact information

Persons to whom you can report inaccessible content posted on [umcs.pl](https://umcs.pl):

- Janusz Filiks, Artur Wójtowicz
- e-mail: [ion@mail.umcs.pl](mailto:ion@mail.umcs.pl)
- tel: 81 537 61 54

In your application provide:

- your name;
- your contact information (e.g. e-mail);
- the exact address of the website where the inaccessible item or content is;
- a description of what the problem is and what would be the most convenient way to solve it for you.

### Handling of availability requests

We will respond to your request as soon as possible, no later than within 7 business days of receipt.

If this deadline is too short for us, we will inform you. In response, we will provide a new deadline by which we will correct the errors you have reported or prepare the information in an alternative way. The new deadline should not be longer than 2 months.

If we are unable to ensure the digital availability of the website or content according to your request, we will offer you access to it in an alternative way.

If our actions are not satisfactory to you, you can report the matter to the Ombudsman.

## Architectural accessibility

Maria Curie-Skłodowska University

pl. Marii Curie-Skłodowskiej 5

20-031 Lublin

The buildings of the University of Maria Curie-Skłodowska in Lublin are adapted to the needs of people with disabilities. They also have appropriate signage indicating where a person is located.
